Commissioners OK Commercial Zone Change

PLACENTIA — A change of zone from R-1 to C-1 for the south side of Yorba Linda Boulevard from Bradford Avenue to Palm Drive was recommended for approval by the Planning Commission but a similar change on the north side was denied on tie votes.

Planned for part of the area is a shopping center to be built by Diversified Shopping Centers, Inc. of Newport Beach. The major tenant is to be an Alpha Beta Market.

Residents of the area appeared before the commission to oppose the change of zone north of Yorba Linda Boulevard but supported the change on the south side of the street. They suggested that garden apartments be placed on the northwest parcel to buffer the single-family homes in the area.

Site development approval was granted to the Valencia State Bank which will be located on the southwest corner of Chapman Avenue and Murray Street.

The building, to face Chapman, will be a one-story wood faced structure. It is a temporary building to be used by the bank until it can move to a site near the proposed city civic center.

Commissioners also approved a variance to allow a sign painted on the south side of the Bradford Bros. packing house to remain even though it does not meet code standards.

Also approved was a tentative tract map for 22 lots on about six acres at the southeast corner of McCormack Lane and Golden Avenue.

Girl Is Not Injured In Accident

PLACENTIA — Debbie Johnston of Cedarlawn Drive escaped injury as her bike was crushed in the crosswalk at Hamer Drive on Yorba Linda Boulevard, last Thursday evening.

The Wagner student who uses the crosswalk regularly was walking her bike across the intersection on her way to dancing lessons at Charlottes Dance Studios, at 4:30. Two cars had stopped for the girl and Frank Pisetti of Briarhill in Yorba Linda approached the stopped cars. In order to avoid striking the stopped cars, he swerved and his brakes squealed, according to police. Debbie reacted quickly and she ran to avoid the swerving car.

Her bike was wrecked, but the girl escaped injury. Placentia police took the girl home, and then waited at the scene for California Highway Patrol, under whose traffic jurisdiction the area lies.

Showing the trophies to be awarded in the Heritage Days parade October 2 are, from left, Bernie Radza, Jim Gaffney, Don Seitz, and Steve Rosina. They are all members of the Placentia Jaycees Parade Committee.

Yorba Linda Councilmen Conclude Plan Hearings

YORBA LINDA — The public hearings held for comments on the city's general plan were concluded last week as city council members began revising recommendations from several sources for a general plan.

Councilmen agreed to plan for extended commercial development in the area near Yorba Linda Boulevard and Rose Drive. The corners of Prospect and Yorba Linda Boulevard opposite Jefferson will remain as commercial areas also.

A new commercial center to include some professional development is also planned for the four corners at Village Circle Drive and Yorba Linda Boulevard. Another professional zone at Fairmont and Esperanza was approved. Industrial development will take place in the city's northern area, or the Carlton Tract. The site for a future high school within the Carlton tract will remain.

Mayor Henry Wedaa requested the council to accept a pre-annexation type of agreement concerning the future development of land within the

Kraemer Ranch. In a 4-1 vote, the council accepted a map prepared by Kraemer that had earlier been presented to the city's planning commission. Professional and commercial centers, a golf course and some high density areas are being planned and negotiations for the development of Kraemer's property are currently underway.

Circulation elements were adopted as recommended by the planning commission. Lakeview Drive is to remain classified as a primary highway and no freeways are planned for Imperial Highway.

The area near President Nixon's birthplace was approved for a park site with commercial development. Also, a future park and school site was established for Valley View at Yorba Linda Boulevard.

Before the city council can officially adopt any general plan, a new map must be approved, a revised text must be prepared and submitted to the planning commission for their evaluation. The city council then may make additional changes or adopt the plan.

Motorcyclists Involved In YL Accident

YORBA LINDA — Wayne Yelensky of Westminster and James Louis Menou with a passenger Rex C. Bates, both of Garden Grove were driving high powered motorcycles on Yorba Linda Boulevard Saturday according to police.

Driving parallel, the Yelensky cycle overtook and attempted to pass Menou. In the maneuver the cycles collided and the three men and the cycles were spilled into the street.

Brea Police arriving on the scene called an ambulance and the injured men were taken to St. Jude Hospital.

Passenger Bates who was most seriously injured, suffered a fractured leg.

Brea Police are still investigating the accident.

Supervisors And Mayors Discuss Plan

SAN CLEMENTE — Orange County Supervisors and mayors of all but four county cities met Saturday at the Western White House under the chairmanship of Placentia Mayor Robert Finnell for the third quarterly Supervisors and Mayors Conference.

Two major topics of discussion were a plan by Supervisor Robert Battin to end the LAFC controversy and discussion of a possible Orange County public housing authority.

Battin proposed eliminating all claimants to the public member position and having the LAFC name a new member. The plan was not acceptable because Battin would not recognize the timing of the selection of the two members selected by county mayors. The dispute over the public seat went to court Monday.

Pancake Feast Will Begin Heritage Days

PLACENTIA — Saturday, September 25 the Placentia Chamber of Commerce will hold its tenth annual Pancake Breakfast to kick off the city's seventh annual Heritage Festival celebration.

The opening event will hopefully bring 1,000 hungry eaters to Kraemer Park to have breakfast and meet their neighbors. The chamber is guaranteeing all you can eat for donation of \$1, Tom Shipkey, chairman in charge of arrangements, said, and children under five eat for free. Breakfast

will be served from 8 a.m. until noon.

For the evening program, Heritage Days moves to Valencia High School where a special volleyball game will be held in the school's gymnasium between members of the Placentia police force and city administration and teenagers who are members of the city's Junior League of United Latin-American Citizens. Game time is 5 p.m. and everyone is invited.

Monday night, September 27, will see the second annual mini-concert and community sing-along presented by the Placentia Chorale and brought back by popular request. The group is under the direction of Ron Browne, choral director at El Dorado High School, formerly with the "Dapper Dances" Barbershop Quartet at Disneyland. There is no charge and curtain time is 8 p.m.

Placentia city employees will stage their celebration Wednesday, September 28 with a picnic in Kraemer Park and heritage decorations and costumes will be in vogue in all city offices throughout the festivities, it was announced.

Homeowners File Petition To Annex

YORBA LINDA — Homeowners in the Fairmont, Fairgreen and Fairview areas around Glenknoll School filed a petition to annex their area to the city at the regular meeting of the City Council Monday evening.

Ron LaBerge, in presenting the letter of intent to annex, said that with the imminent adoption of a general plan showing a low density city residents of the area are now ready to annex to the city.

An election to annex the area last year failed by three votes.

Several Injured In Two Accidents Near Freeway

BREA — Two serious accidents occurred on Imperial Highway at the Orange Freeway off ramp last Saturday. In each incident east bound cars struck vehicles coming off the freeway making left turns onto Imperial Highway. Both drivers which struck the cars turning left declared that they had not seen the traffic signal which was against the east bound traffic.

On Saturday morning, Dorothy Byrd Emery of Whittier struck a car driven by Ronald Lee Spencer of Magnolia Avenue, Placentia as he exited the 57 Freeway. Mrs. Emery was taken to St. Jude Hospital, by ambulance, as she complained of severe chest pains.

Late Saturday evening, a car driven by Beverly Sylvia Clement

of 608 Ladera Vista, Fullerton struck the car driven by Cheryl Ann Blalock, 18 of Larchwood Avenue, Brea, as she exited the Freeway. Mrs. Clement and Miss Blalock were taken to St. Jude Hospital. Mrs. Clement was treated for severe lacerations and abrasions. Miss Blalock is detained with severe internal injuries as well as lacerations.

Brea Police Chief Richard Baugh, greatly concerned about the location of the numerous traffic signals in the area of State College Boulevard, the Freeway offramps, and Associated Road, is making a direct appeal to the State Division of Highways for a review of the situation, since the occurrence of the accidents over the weekend.

The Junioresettes, a branch of the Junior Women's Club of Yorba Linda, discussed choosing a new name for the group at their first meeting of the year which was held in the home of the girl's advisor, Mrs. Richard Jelinek, on Tuesday, September 14.

The final decision on

renaming the group was postponed until the next meeting, at which time orange and yellow polo shirts with the new name emblazoned on them will be ordered. The shirts will be worn at club functions and at special events such as the Fiesta Days Parade.

The Junioresettes each

Atwood Residents To Receive Numbers

Fire Chief James F. Sims of the Placentia Fire Department announced that fire personnel are handing out the house numbers to residents of the Atwood area this week.

The individual house numbers were assigned approximately two months ago as part of the program of converting the houses and businesses in the Atwood area from county to city numbers.

At that time, fire personnel handed out letters advising of the new numbers. Mail delivery to the homes and businesses began September 1 to those having their number posted and mail boxes.

To assist in finalizing this program, the Placentia

Kiwanis Club donated approximately \$100 to purchase the necessary amount of numbers to post each address in the area. These house numbers should be delivered to the homes and businesses by the end of next week.

Snyder's Bring Auto Hobby To Yorba Linda

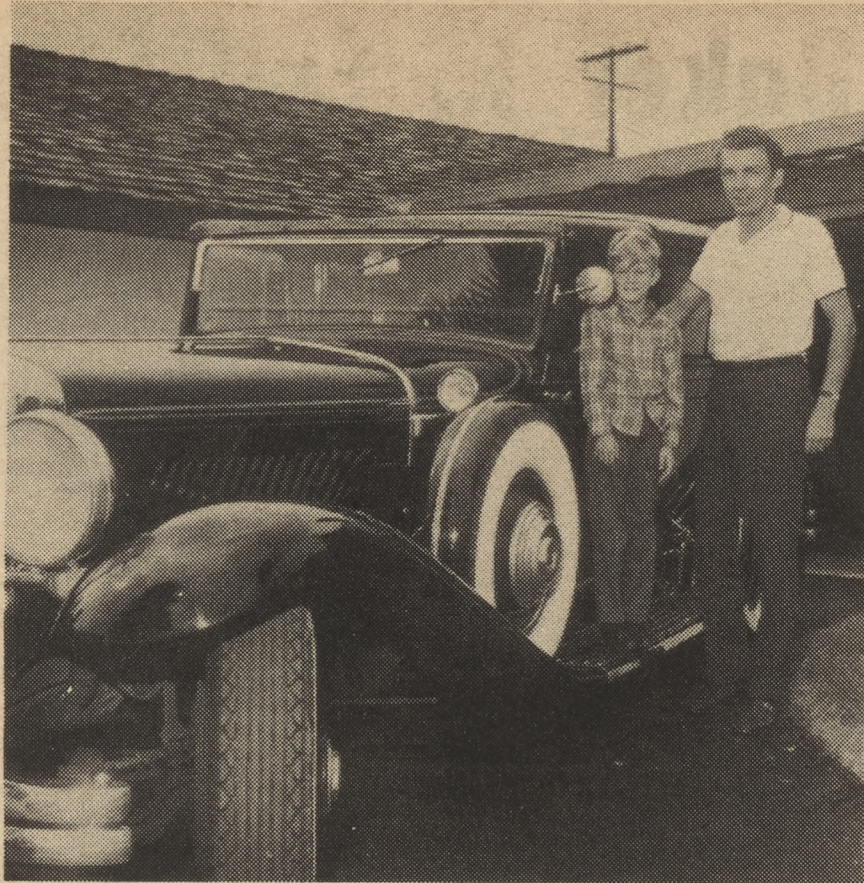

William and Jo Ellen Snyder are new residents of Yorba Linda with a special hobby interest: classic automobiles.

Arriving by train earlier this month, the cars are still in the process of being

cleaned and waxed in order to restore the exterior finish. Snyder says that diesel smoke, dust, and other pollutants are most difficult to remove, without harming the finish, after such a journey.

The entire collection of nine cars includes a 1947 Packard which has been in Snyder's family since its original purchase. Other Packards are 1930 and 1936 models and a rare 1939 12-cylinder model. Two unusual autos in the collection are 1933 and 1934 Duesenbergs. Of only 400 models manufactured, Snyder also owns a 1954 Kaiser Darrin, a convertible sport car.

Of his hobby, Snyder says that he "always liked cars and worked at stock car races and with sports cars and hot rods." He belongs to two Packard clubs, the Auburn-Court Duesenberg Club, and the Classic Car Club. He now keeps his collection stored in Anaheim when they are not being displayed at club events.

Bill Snyder shows his son Steve one of the classic cars which he has collected over the years. Many of the cars are vintage classics.

A 1948 graduate of Berkeley High School, he received a B.S. degree in forestry in 1952 from the University of California at Berkeley. He was commissioned there through the Air Force Reserve Officers Training Corps program. He earned his M.S. degree in public administration in 1965 at George Washington University, Washington, D.C., and is a member of Lambda Chi Alpha.

Insomniacs Can Sleep Soundly

"If I could only sleep!"

This statement is sufficient most of the time to stamp a case of "Insomnia" and with it the train of other symptoms that follow.

According to Dr. Donald Brinkley of the Brinkley Chiropractic Center, insomnia is basically a condition which prevents the nervous system from relaxing.

While several pressures on nerves can produce insomnia," says Dr. Brinkley, "usually the condition is one of long standing. What generally happens," he states, "is that a person starts building to a severe case of insomnia. First there are occasionally restless, sleepless nights. Then the problem begins to compound itself. A person begins to be worn out during the day thus finding his work harder and harder to accomplish. This in itself exerts further nerve pressure and sleep becomes more difficult, insomnia more prevalent."

"Of course," adds Dr. Brinkley, "the general health is affected by the lack of sleep, tense daytime activity, etc. An insomniac has a brutal path ahead of him unless he has the original cause of his troubles corrected."

Dr. Brinkley does not advocate sleep producing drugs in most cases. "After all," he says, "they are generally habit forming and addiction brings a tolerance as often as not." In other words, persons who take sleeping tablets are usually only avoiding the inevitable.

"It's really a heartening experience to aid the person who suffers from severe and repeated attacks of insomnia. Their lives always

seem to change dramatically, once their vitality has been restored through proper sleep," the Doctor relates.

"We look to the basic cause of the nervous tension that produces sleeplessness," says Dr. Brinkley. "And in correcting the cause of the nervousness, not only is sleep a desirable end, but also the sufferer finds his wakefulness a pleasure. Vim and vigor during the day is generally as important as rest during the night."

"And don't forget," says Dr. Brinkley, "when a person can kick the drug habit he rids himself of the after-effects and so important to many, the cost of the potents."

Dr. Brinkley urges insomniacs, both those suffering from current acute cases, and others who through nervous tension and other symptoms are building to a real problem, to visit him at his modern Chiropractic center.

The Coleridge poem on sleep has a special meaning for many. "Ab sleep, it is a gentle thing, beloved from pole to pole . . ." is a dream of so many unfortunate people. Dr. Brinkley hopes that he will have a chance to aid those who desire "sleep to creep into their souls . . ."

"Maybe they should stop daydreaming about their problem and call on us for help," he says.

Further information regarding this problem can be had by writing the News-Times, Box 10, 415 W. Chapman, Placentia, Calif. 92670.

Miss Schank Weds Baker In Fall Garden Wedding

In a beautiful early fall garden wedding, James Brian Baker took Johanna Erika Schank as his bride, September 11.

Baker is the son of Mr. and Mrs. Ben Baker of Yorba Linda. His bride is the daughter of Mr. and Mrs. John F. Schank of Fullerton.

The setting for the nuptial in the garden of the home of the groom's parents was beneath an ivy covered arch, surrounded by tropical plants and large baskets of white chrysanthemums. The patio where the wedding guests were seated was artistically decorated with garlands of greenery, flowers and white satin ribbon with satin wedding bells. The Reverend Kenneth Behnken of Zion Lutheran Church, Anaheim, read the ceremony.

The bride was gowned in a full length gown of white polyester trimmed with lace. The gown was of empire style and was bordered at the neckline with seed pearls. Her hair was adorned with a cornet of white roses, which matched her bouquet.

The bride chose her sister Frederika as her only attendant. Miss Schank wore a gown of yellow chiffon and carried yellow daisies with yellow chrysanthemums interspersed with babies breath.

Baker chose Bruce Whilcher of Palo Alto as his best man, while Fred Schenk of Fullerton ushered the wedding guests to their seats.

Mrs. Schank, mother of the bride chose a costume of pink chiffon for the occasion. The mother of the groom chose a coral lace knit for her costume.

A dinner reception for the wedding guests was held at the home of the parents of the bride in Fullerton. German customs prevailed at the festive occasion. There was the traditional German brides dance, and guests were given a sprig of rosemary (traditional good luck herb) with colored ribbon to designate bride or groom affiliation.

Besides the elegant traditional wedding cake, guests were served delicate German pastries.

The newlyweds both

attended Troy High School, Fullerton. Baker recently graduated from Stanford

University and is continuing there for a Masters Degree in Geology. Mrs. Baker is

attending Foothill College in Palo Alto, and is employed as a Research

Analyst for Boise Cascade Credit Corp. After a wedding trio to

Lake Tahoe, Mr. and Mrs. Baker will be at home at 2156 Dunbarton, Palo Alto.

Yorba Linda Chamber Discusses Entry Sign

The Yorba Linda Chamber of Commerce discussed plans for a new city entrance sign at its monthly meeting last month. A plan was presented to the board of directors and received a favorable reaction.

J. Elton Patridge was named chairman of a committee to be responsible for the upgrading of the

park at Imperial and Yorba Linda Boulevard. The city gave the chamber \$2,500 for this purpose.

The chamber also agreed to co-sponsor the punt, pass and kick competition October 3.

Treasurer Eldon Huffaker reported that the chamber had \$795.12 in the treasury in addition to the \$2,500 park fund.

City Officials Thank Citizens For Patience

Placentia city officials have expressed appreciation for the cooperation received from inconvenienced residents in the path of the city storm drain project.

In a report from Public Works Director Gerald Hendricks to City Administrator Edwin T. Powell, it was noted that although the contractor for the project had made every effort to keep the project on schedule, interfering utilities at Tuffree Boulevard and Livingston Avenue and Tuffree Boulevard and Beal Avenue have caused minor delays in completing this part of the project.

Hendricks commented and Powell agreed that the patience and cooperation shown by the residents of the area was sincerely appreciated by the City and that every effort will be made to complete this section of the project without further delay.

The project involves the installation of a large concrete pipe conduit to remove water which has historically drained on City streets. The project will relieve major flooding in the western portion of the City.

Cynthia Cunningham

Cunningham Engagement Is Announced

Mr. and Mrs. S. Edwin Cunningham, 1118 Limerick Dr., Placentia, recently announced the engagement of their daughter, Cynthia Ann to Norman C. Canchola, son of Mr. and Mrs. James C. Canchola of Anaheim.

Miss Cunningham is a graduate of Valencia High School and presently works at Disneyland. She presently attends Cal State Fullerton.

Canchola is a graduate of Anaheim High School and will graduate from Cal State Fullerton in January.

A January 1972 wedding is planned.

Child Evangelism To Hold Home Classes

Child Evangelism Fellowship, North Orange County Chapter, announces that the first week of October will mark the beginning of a new year of home Bible classes for children known as "Good News Clubs".

It is a missionary effort of Christians from various denominations to establish contact with neighborhood children who may or may not be influenced by an evangelical church program.

A final visual aid workshop for teachers will be held prior to the fall teaching program on Tuesday September 28 from 9:30 a.m. to 11 a.m. at the

Yorba Linda Friends Church. Weekly classes on how to conduct Good News Clubs meet at the same place and time.

Art Display To Be Held

The Orange Art Association will have an art show September 24, 25, and 26 at the Crossroads Shopping Center at the corner of Bradford Avenue and Yorba Linda Boulevard.

The show will consist of the work of many different artists with a wide selection of various types of art.

ED PTA Prepares For Activities

Mrs. H. J. (Molly) Bickford is the president of El Dorado Parent-Teacher Association for the school year 1971-72 as announced by Mrs. Rosemary Sharp, second vice-president in charge of programs and publicity.

September 23 is "Back to School" night at El Dorado, and a membership drive will be in full swing. Mrs. Bickford will be assisted in her regime as president by Mrs. Sharp, Mrs. Paula Schmitt, first vice president, in charge of membership; Mrs. Dorothy Smith, secretary; Mrs. Peggy Halverson, treasurer and Richard Mycum, auditor.

Announcement is made by Mrs. Bickford of the Teachers' Aid Chairmen.

They are Mrs. Betty Bennett, overseeing library volunteers with the help of Mrs. Georgetta Price and Mrs. Kay Riddle. Mrs. Rose Marie Stull will assist in office and counseling with Mrs. Dolores Cairns helping in that section. Mrs. Pat McClarnon takes on the duty of field trip planning.

The new board is currently seeking to revise existing by-laws, it was learned, in order to free itself of the obligation to hold a specified number of meetings at specified dates with pre-planned programs. The reason for the revision is given as the former type of meeting in the past has had a poor attendance record.

Mrs. Bickford, in

commenting on the PTA, stated that she was not aware of the many services the organization performed. "PTA volunteers take some of the paper-work load from counseling and attendance personnel," said Mrs. Bickford.

"Also the PTA Welfare fund," continued Mrs. Bickford, "may buy a needy student a pair of gym shoes, or glasses which otherwise

the student could not afford," continued President Bickford. "Field service volunteers are called upon to assist in special education programs where supervised transportation is a problem."

It was learned that a crisis faced the PTA last year, when the question arose as to whether it should disband or not was given consideration.

Local Boy Is Treated At St. Jude

Last Tuesday evening, Charles Augenstein of 308 Ruby Drive rushed his infant son to St. Jude Hospital, after the boy had ingested some unknown non-edible material. Emergency personnel at the hospital, needing to know the contents of the liquid, sent Mr. Augenstein to his home to get it in haste.

Augenstein's speeding car was stopped by Placentia police, and upon learning the nature of the man's mission, they took Augenstein and his small daughter who was riding with him, to St. Jude emergency, with flashing lights and siren screaming.

Fortunately the amount of liquid the small boy had taken was non-poisonous, and he was treated and released, according to St. Jude Hospital records.

He has appeared on several television shows, had a disc jockey show in Ontario and San Bernardino, has written and directed several plays, has appeared in clubs throughout California and has appeared in lead roles in several stock company plays.

City Fire Apparatus Described To Public

Fire apparatus may be classified as those vehicles used in the extinguishment of fires, for rescue and salvage work, and for other special activities performed by the Fire Department.

The principal requirement of any fire apparatus is dependability.

PTA Board Hosts Welcome For Principal

The Yorba Linda Junior High PTA Board hosted a buffet luncheon at the school, recently, to welcome the new Principal, John Best, his faculty and staff. Special guest Dr. Sterling Fox asked the blessing.

"Smilie Faces" decorated the tables and the "Welcoming you with a smile" theme prevailed as the junior high faculty and PTA Board were formally introduced to one another.

Chairman of the event was Mrs. Leonard Ducker.

Davenport Serving In Germany

Army Private First Class Gregory A. Davenport, 22, is now serving with the 3rd Armored Division near Gelnhausen, Germany.

His wife, Brenda, lives at 14352 Osborne, Panorama City, and his father, Alfred C. Davenport, lives at 931 Ott, Placentia.

YL Dept. To Plan Programs

The Yorba Linda Recreation Department will be planning its fall program this month under the direction of Ken Sparks, recreation director. It is anticipated the fall program will begin the first of October.

There will be a Tiny Tot program, Instrumental Music, and playground activities such as flag football, basketball and track.

Other activities and locations for the activities will be announced shortly.

High road speed is objectionable, because of the danger of accidents which would prevent the apparatus from reaching the fire. Two factors are highly desirable, quick acceleration and reserve power.

The size pumpers that are considered to be suitable are 1,000, 1,250, and 1,500 gallons per minute.

Most fire apparatus carries a minimum of 500 gallons of water, however it should be noted this could be less than a one minute supply on a major fire.

Fire pumpers carry life support equipment, fresh air packs, generators, hose, ladders, and hundreds of other items necessary for the modern day Fire Department to operate efficiently and effectively.

According to Placentia Fire Chief Jim Sims, the Placentia Fire Department has three modern pumpers. However, with the City's growth pattern, it will need to consider additional apparatus to meet the needs of the city and provide the level of fire protection required.

Competition In Football To Be At Yorba

The Yorba Linda Chamber of Commerce and Fairway Ford in Placentia will sponsor National Punt, Pass, and Kick Competition beginning at 10 a.m. Sunday, October 3 at the Yorba Linda Junior High School.

Boys age 8 to 13 years are invited to compete. Winners of the local contests will participate in later competition.

Acacia PTA Fall Carnival Set For Oct.

The Acacia School PTA will hold their fall carnival from 12 p.m. to 4 p.m., Saturday, October 30 on the school playground.

"Halloween Hi Jinx" will be the theme. A witch-hunt, a spook house and a Jack o' lantern carving contest will be part of the day's festivities.

Proceeds from the carnival will go towards a children's learning center.

Miss Yorba Linda Patty Criner and Rich Lowry play catch with young football player while Joel Griggs and Mike Wolowicz of the Placentia-Yorba Linda Junior All-American Football Association and Fred Tice and Tom Baker of Troy look on. The fun is in preparation for the punt, pass, and kick competition in Yorba Linda October 3.

IT'S A FACT!

If you spent 30 seconds looking at each of our shag samples, it would take you over 9 hours to see them all — so come early and bring your lunch.

Yorba Linda Club Has Long History

With the Yorba Linda Woman's Clubhouse taking on a "new look" it is interesting to reminisce on the happenings and history of the building over the years in Yorba Linda.

The Woman's Clubhouse is an historic building as it is often referred to in the history of Yorba Linda. President Richard M. Nixon has visited at the clubhouse on a number of occasions. Following his terms of office as vice-president he brought his mother, the late Mrs. Hannah Nixon, to club meetings and would often stop for a chat over a cup of coffee with members following the meetings. Mrs. Nixon was a charter member of the Woman's Club and the President has the honor of being the first baby born to a club member. Mrs. Nixon was an honorary member of the club and even though she no longer lived in Yorba Linda

she was active in the club as long as her health permitted.

The clubhouse is considered by many to be a landmark in Yorba Linda. It was constructed in 1922 and will celebrate its 50th birthday in May. A landmark does not have to be a matter of age alone. A landmark can also be a reminder of events or people — it's the importance and the significance that count. The clubhouse strongly fits this description because it has served as a community center for Yorba Linda over the years and it has been an important building to many organizations.

It has been used by the Farm Bureau, the Rotary Club, Boy Scouts, Girl Scouts and 4-H Clubs. This warm building has been used as a church and as a classroom for sewing, painting, crafts, knitting, dancing and flower arranging. It has served as a place for banquets or a room where women have come for a game of bridge or just to sit and chat. It has been used in times of need as it was donated for refugees of the Atwood flood, for Red Cross work during World War II and as a blood bank.

The club itself was formed in 1912 for the purpose of adding some social moments to the hard and rather drab lives led by the women in those days. Building a clubhouse of their own and to share with the community was no easy task. It took hard work for

El Dorado Students See CSF Team

El Dorado students were treated to an assembly featuring Cal State's gymnastics team at the end of their first week of school.

The award-winning team is rated number one in the state of California and nationally, as well. Their coach is titled "Coach of the Year."

Students were treated to demonstrations featuring floor exercise, uneven parallel bars, the horse, and mini trampoline. While the team members displayed their technique, the coach gave a running commentary explaining the various exercises and stunts.

Hansons Are Parents Of Twins

Kevin Scott and Kurtis Steven, twins came to the family of Mr. and Mrs. Kenneth Hanson of Corona. They joined the two other sons in the family. The grandmother of the twins is Mrs. Ardeth Hanson of 1542 Valencia, Placentia.

the early pioneer families to accomplish this goal.

The property was purchased in 1921 when club members voted to cash in a \$500 liberty bond they had purchased during World War I. A \$2500 mortgage was secured to build a clubhouse. Still short on money members used a little feminine persuasion and their husbands donated \$360.

Between 1937 and 1941 the club was in dire financial straits and it nearly dissolved. But somehow they made it through those

bad days and in 1942 they succeeded in paying off the loan and the mortgage was burned with appropriate ceremony.

Over the years there have been some changes made to the clubhouse, however this year probably marks the biggest improvement at any one time. But it is still the same clubhouse. It still reflects the warmth of members over the years. The historic value of the building has not been lost because it continues to resemble the clubhouse it has been for half a century.

This little girl and her dog are preparing for the Kids' Amateur Dog Show which starts at 10 a.m. on Saturday, September 25, at the Orangefair Mall, Fullerton. Check in time for the event is 9:30 a.m. Awards for best costumed, best trick, smallest, largest, and best-groomed dogs will be awarded.

SAT Tests Set For Valencia High School

Mrs. Ray Pharr, Valencia High School counselor, recently informed the seniors on the Tiger campus of important dates concerning the administration of the Scholastic Aptitude Tests.

Students will have two opportunities this year to take the SAT test. The first test will be administered Saturday, October 9. Applications for this test must be received in the counseling no later than September 27. Another administration of the Scholastic Aptitude Test will be in November.

All students who are interested in applying for the California State Scholarship should take one of the two tests, either October 9 or in November.

Mark Zeilinski, senior class president, called a class meeting last Friday. Among the events were short addresses by Principal Dr. David Tansey and Student Body President Vicki Edge. Valencia's song, flag and cheer squads performed for the senior class.

Mrs. Pharr also informed students of the senior seminar to take place

tomorrow at ten o'clock. The counselors will meet with the interested seniors in the library and will try to answer any questions that the students may have concerning the different colleges, college entrance, and college requirements.

Making final preparations for the St. Joseph Mens Council barbecue September 26 from noon to 6 p.m. at the Union Oil Picnic Grounds are, from left, Ed Kratt, Joe Samaripa, Ralph Navarro, Albert Yorba, John Goulet, and Father Norm Supancheck.

Mall, City To Co-host Day For Bike Riders

A bicycle event jointly sponsored by the city of Fullerton and the Orangefair Mall will begin at 10 a.m. Saturday, September 25 with dedication ceremonies for the new city bicycles path along Bastanchury Road from Euclid to Warburton in front of Sunny Hills High School.

Following the ribbon-cutting ceremonies the Fullerton Police Department will escort riders to the Orangefair Mall east parking lot at 10:30.

From 11:15 on there will be bicycle skill competition on the Mall parking lot consisting of three events, a

figure eight course, a curvy course, and a straight course where the slowest rider is the winner.

Representatives of the Fullerton Fire Department will be at the mall from 11 a.m. to 12:30 p.m. to license bikes and answer questions on bicycle safety.

Cal State Opens Season

Cal State Fullerton's Titans will open the 1971 football season at home, Saturday, September 25, at 1:30 p.m. in the Santa Ana Bowl.

Coach Dick Coury's squad will host Southern Utah State for the season opener. The Thunderbirds will be ready to avenge last year's 31-0 loss as they have already played two games.

Southern Utah will be expected to run more this year as the Thunderbirds have two Junior College

transfers vying for the starting quarterback position. The Titans will also be expecting an improved offensive line from the opponents. Coach Tom Kinsford named Don Conrad (linebacker), O'Neill Brenton (middle guard), and Tex Anthony (flanker) to lead the team.

Another blow came to Fullerton last week when returning starting defensive end Don Crtalic broke his thumb. He will be out for three to five weeks.

was considered the Titan's best defensive player as he was on the All CCAA team for 1970 season.

Tigers Begin Season At Neff High

Saturday night, the Valencia Tigers varsity football squad faces Neff High School at Excelsior High's stadium.

Marking the first real competition for the Tiger team, this game opens their pre-season slate of contests. Varsity players have been involved with practice scrimmages.

Last Friday night at Bradford Stadium, Valencia held an inter-school scrimmage. Each team level divided into two teams and then they played each other for a set amount of time.

Freshmen played first, sophomores second, and finally the crowd got a look at the 1971-72 varsity squad. Each player was introduced individually to the fans, as were Valencia's new cheerleaders and mascots.

VHS Polo Team Falls To Upland

Up to their necks in water, Valencia's water polo team traveled to Upland Saturday.

Although losing 7-6, the varsity proved themselves worthy, according to Lin Spier, assistant coach. Showing outstanding efforts were seniors Don Gresham, Steve Kniess, and Jerry Folwell. This year's team of water men should live up to the good name of past years, seeking their third consecutive league championship. Although losing last years coach, Jim Lock, VHS found an able new coach, Chris Sawyer.

The first pre-season game was played yesterday, Valencia vs. Foothill at Valencia.

JV Warren Hibbard, Saturday's standout, scored all three goals for the Tiger JV team.

ED Water Polo Team Splits Two

After splitting two scrimmages, El Dorado's Varsity water polo team opened the season Monday against Santiago.

The Hawks downed La Habra 9-7, and were crushed by Chaffey 11-2 in the scrimmages last week. Playing without four of the Varsity squad, the Hawks were overpowered by the strong Chaffey team.

Goalie Guy Antley sparked in the La Habra scrimmage as he blocked three penalty shots in the foul ridden game. The La Habra scrimmage also marked the first time this year El Dorado's offense came out of hiding. Mike Wiegand was the main catalyst in the Hawk's attack.

Although there have been fine individual performances, the Junior Varsity and Frosh-Soph didn't win either scrimmage. Most of the problem has been due to the large size of the Frosh-Soph squad, and the inexperience of both teams.

Members of the Troy High School offensive team are, front from left, Kurt Lawyer, Rich Lowry, Dan Guidera, Steve Haley, Tom Baker, Chris West, Dave Lingenfelder; back from left, Andy Ortega, John Hufford, Jim Roche, and Jeff Cromwell.

Members of the defensive football team at Troy High School are, front from left, Tom Short, Dave Larson, Paul Takesian, Scott Yeran, Randy Fife; back from left, Wyn Moore, Tom Ewing, Kerry Murdock, Fred Tice, Doug Duehler, and Dave Laneville.

Four Junior Football Teams Are Winners

Four teams in the Placentia-Yorba Linda Junior All-American Football Association came home victorious while the other five squads lost.

The Minnows overwhelmed the South Coast Mavericks 34-7 with Chris Bolter scoring three touchdowns. Jeff Salter ran 70 yards for another score while Tom Wagner added the final points.

The Dolphins topped Los Alamitos 26-0 at Los Alamitos. Scoring were Bill

Wales, Don Stodola, Clay Bailey, and Kychenthal.

Winning 32-0 over the San Clemente Trojans were the Stingrays. Scoring were Don Moreno, Mark Reinsvold twice, Ron Kays and Jim Haynie. Quarterback Mike Wolowicz passed for one of the scores.

The Marlins were also winners, defeating the Orange Rockets 13-0 at Orange.

The Eels, playing at El Dorado High School, fell to the Garden Grove Pups 31-6. The only Eel score came on a 65 yard run by Tim Faley in the second quarter. Most of the Garden Grove scores came in the first half.

Troy Begins Season At Orange High

Troy High School, which serves as the "local high school" for Yorba Linda students, as well as parts of Fullerton, lists the following gridiron schedule for this fall: September 25, at Orange; October 1, Magnolia; October 9, at Kennedy; October 15, Savannah; October 22, at Buena Park; October 29, Sunny Hills; November 5, at Fullerton; November 12, Lowell; and November 19, at La Habra.

Phil Oram will be head coach for the Warriors this year.

Valencia football player runs around end during the scrimmage held on the Tiger field last Friday evening.

Good Scrimmage Showing Pleases Valencia Coach

Friday at 8 p.m. was the first inter-squad scrimmage when the Valencia Tigers held the Blue-Gold game in Bradford Stadium.

The exhibition game set varsity Coach Dave Pinckney's eyes a-twinkle at the outstanding performances of Scott Somerville and Dave Ockunzzi, who rushed the pigskin by many defenders to gain big yardage. One real surprise effort was by Jamie Vega, who maneuvered around the end to evade defenders many times.

Tigers Take Third Place At LB Meet

Long Beach Invitational was the first race of the year for Valencia cross country men Friday at Cal State Long Beach.

The Tiger team scored 92 points and was awarded third place. Coach Mike Cummins is pleased with performances of the runners, but feels there is room for much improvement. Mike Boaz will be the strong man this year with Tony Morocco and Alex Lopez running on his heels. A spectacular performance by Bob Tillman, varsity sophomore, was noted by Coach Cummins. Next race time will be this Saturday at Corona Del Mar High School.

Tiger JV team made a good showing with Mike Genevey, freshman, receiving a fifth place trophy. Other member members of the JV team are John Price, Loring Johnson, Carlos Navarrete, Philip Potter, Greg Spier, and Mike Wilson.

Hornets Rally To Take Opener

Playing jittery all night, the Fullerton JC Hornets came from behind to take the season opener against Long Beach City College, 13-7.

Coach Hal Sherbeck's Hornets couldn't capitalize on any breaks as FJC failed on four different scoring opportunities because of unnecessary penalties.

FJC did wake up in the second quarter after City's Bob Tillman scored on a four yard run. Tillman ran power plays through FJC's defense to set up the lone Viking score.

On the kickoff, Pete Farquhar ran back to the Viking's 35 yard line. Then quarterback Dick Clyde

went to work hitting tight end Brad Williams on the 18. After two running plays failed, Clyde was hit for an 11 yard loss as the LBCC defense held. The Hornets field goal kicker, Reinhold Stuprich then kicked a 30 yard field goal to give FJC their first score of the season.

Fullerton appeared to have momentum when Ron Noyle intercepted a Viking pass and brought the ball to the Long Beach 30. However a clipping penalty started the Hornets on the LBCC 45. Clyde went to work again hitting Williams with a bomb in the endzone, but the play was called back as both teams incurred a penalty. Clyde hit Greg Schnurr on the 29 for a first down. However again the Viking defense held as Clyde was spilled for another ten yard loss.

Defense ruled the game, as Hornet Tim Thorn intercepted a pass in midfield on Long Beach's next set of downs. Farquhar and El Dorado's Sam Rossi carried the ball to the 20

yard line. Farquhar then ran 14 yards before being stopped on the four. A delay of game penalty cost FJC five yards bringing the ball back to the nine. Clyde was hit for the third time by Mark Crutcher on the 26. It looked like Fullerton blew another chance to score when Clyde hit Williams for a TD with two seconds remaining in the first half, to put the Hornets ahead to stay.

City had one last attempt to score when they moved the ball to the 19. However FJC's defense held and the Hornets recovered the ball on the 29. Fullerton then had a chance to put the game away when they had the ball on the eight yard line. Again penalties brought the ball out of scoring position.

On one last fourth quarter drive, Stuprich, from Lowell High School in La Habra, kicked a 32 yard field goal to give FJC insurance. Quarterback Clyde was 11 for 17 with 137 yards as Farquhar totaled 103 yards in 18 carries.

Hawks Face Sunny Hills In First Season Contest

With the experience of one fairly successful scrimmage behind them, El Dorado's Varsity football team opens the season against Sunny Hills Friday night.

The Hawks scrimmaged

VHS GAA Has New Leaders

Valencia's Girls' Athletic Association has undergone many changes over the summer.

Miss Jane Rogers has taken over the responsibility of being GAA advisor. Miss Joan Stewart, who was last year's advisor, has taken over the position of head of the girls physical education department.

New to Valencia's girls PE department are Mrs. Jean Agee, Mrs. Nancy Berck, and Mrs. Susan Overly. Mrs. Agee has been busy this past week staging try-outs for her girls' varsity basketball team. Tennis try-outs were also held last week.

Mrs. Berck will be teaching a gymnastics class this year, and the participants will be in competition with other schools. Mrs. Berck plans to work closely with gymnastics coach John Marcinko.

Injuries have not hit the Tiger pack too hard this year, but still have sent a few to the bench for a while. Fullback Ron Bidnick hobbled out of practice with a knee injury, and with him Richard Hernandez with a sprained ankle. Both hope to return to the field shortly.

Young Tigers of the frosh and soph teams had a little harder time Saturday at their first scrimmages, with the frosh team losing 12-6 and the soph score tying 0-0 against Lowell.

The two teams will travel this week, with the frosh team meeting Neff Thursday at 3:15, and Friday the sophs at 3.

ED Cross Country Takes Second At Long Beach

Led by a startling performance by Ed Soto, El Dorado's Varsity cross country team captured second place in the Long Beach State Invitational last Saturday.

Soto finished sixth, cutting nearly thirty seconds off his time from last year. His effort enabled the Hawks to edge rival

Valencia even though Brent Wood, El Dorado's first man last year didn't run.

Thursday the Hawks travel to Sunny Hills to open the dual meet season. Because of Soto's improvement at Long Beach, this should prove to be a good battle between Soto and Wood to see who will be number one for the Hawks this year.

Mr. and Mrs. Robert C. Taylor, 507 St. Andrews Ave., Placentia, recently announced the engagement of their daughter Eileen Patricia to Lt. Kenneth Stephen Morefield, USAF, son of Col. (Ret.) and Mrs. Luther Morefield of Saratoga, California.

Miss Taylor is a graduate of the University of Montana, Missoula, in business administration. She is presently employed by Pound Photographs, Placentia.

Jenifer Brockett

Miss Brockett To Become Mrs. Sherman

Mr. and Mrs. David Brockett of Pound Drive, Placentia announce the engagement of their daughter, Jenifer Louise, to Richard Lee Sherman, son of Mr. and Mrs. Robert Sherman of Puente Avenue, Fullerton.

Miss Brockett is a graduate of El Dorado High School and is attending California State College at Fullerton.

Sherman is a graduate of Troy High School, and is attending Fullerton Junior College.

No date has been set for the wedding.

YWCA, \$750, Visiting Nurse Assoc., \$650, Assoc. for Retarded Children, \$540, Crippled Children's Relief, \$420, Children's Hospital of Los Angeles, \$300, Artificial Kidney Found., \$250, Speech and Language Dev. Spurrison pointed out that this budget allocates approximately 63 percent to youth agencies, 21 percent to welfare agencies, and 14 percent to health agencies. The campaign expenses amount to only 2 percent, an exceptionally low amount for a United Fund. PUF is operated strictly by volunteers with no paid staff and therefore expenses are kept to a minimum.

The 1971 residential campaign will be conducted by mail again this year during the month of October.

El Dorado YWCA Plans Many Activities

A variety of activities has been planned for the 1971-72 school year by El Dorado's chapter of the YWCA.

Serving as officers this year are Dagmar Goodman, president; Terry Wasson, vice-president; Margaret Storll, secretary; and Margrit Paulson, treasurer.

A "Hello Meeting" is scheduled for this week to acquaint prospective members to the club. A potluck dinner will be the next get-acquainted activity,

scheduled for Friday, October 1.

Many fund-raising activities, including a car wash, several bake sales, co-ops, and concession stands at athletic games are planned for the year. The proceeds from these are used for the club's many activities during the year, which include service projects.

The club's officers are planning service projects for the Thanksgiving,

Christmas, and Easter holidays, although exact plans have not been made.

Last year the YWCA treated children to the movies during the Christmas vacation and took another group Christmas shopping.

Neighbor Club To Hold Tea

The Welcome Neighbor Club of Placentia and Yorba Linda is extending an open invitation to women of the area to attend a Membership coffee which will be presented on Thursday, September 23 at 10 a.m. at the home of Mrs. Rosemary Stull, 1532 Shaver Road, Placentia.

The coffee is open to anyone, but for a reservation or further information, interested parties may call Mrs. Stull at 524-3184 or the Membership Chairman Mrs. Arlene Vidovich at 528-7528.

Broadfoots Back From Two Years In Europe

Mr. and Mrs. William Broadfoot, and thirteen year old son Billy, 524 Sheree Lane, Placentia have returned to their home after spending over two years in Europe.

At last the Del Taco Drive through is opened! In what is believed to be the first application for customer ordering in a drive through restaurant, closed circuit TV is installed in Del Taco's new unit, at State College and Chapman Avenues in Fullerton.

While now noted for the speed of the individually prepared orders from the Del Taco separate Mexican

and American kitchens, "the new TV system is expected to decrease the order to pickup time by 20 percent over the present two way speaker system," states David Jamison, Del Taco president.

The system, similar to present auto TV banking systems, was designed by Odetics Video Systems, Inc., of Orange to specifications developed by Edward Hackbarth, vice president of the 12-unit, four-year-old Del Taco chain.

The TV monitor is placed in an all weather unit at the ordering station 100 feet from the order taker inside the building, thus giving the customer an order taker visual, as well as a vocal

communication. In addition to making a faster operation possible this more human contact is expected to increase actual customer orders.

Hackbarth said that if the new pilot program is as successful as it is anticipated, then the TV units will be placed in the existing units, and of course in the nine units planned for opening in the next twelve months.

**THE '72 FORDS ARE HERE

YOU, THE PUBLIC PAY FOR HI OVERHEAD

All Ford dealers pay the Ford Motor Company the same price for new Fords. To
our cost price, like all dealers, we must add a profit to cover our "overhead".
"Overhead" represents a major cost to most dealers, particularly those who have
huge facilities which may involve rent and other expenses amounting to a half
million dollars per year or more.

This is our big advantage. Our overhead is low, as you can see when you visit us.
We're a "small town" type of dealer. We pay no rent. We own all our facilities.
The result is that we can and do sell new Fords for a lot less. I welcome you to
visit us and see for yourself.

The Raymond School PTA is sponsoring their annual fall carnival, from 12:30 p.m. to 5:30 p.m., Saturday, October 9, on the school playground.

There will be many attractions including a journey through the Wicked Witch's Castle, Aunt Em's Bakeshop, Uncle Henry's Goldfish Pond, and a separate section for little people called Munchkin Land.

Fire Dept. To Offer First Aid

The Placentia Fire Department is now accepting reservations for the next Standard First Aid Class. This class is open to the public and will be held each Tuesday evening, from 7 p.m. to 9 p.m., beginning September 28 and continuing for five weeks.

For more information, contact the fire department secretary, Mrs. Fox.

State Funds PUSD Work Experience

The Placentia Unified School District received word this week from the State Department of Education that additional funds totaling \$2,637.00 had been awarded the Placentia District for use in the Work-Study programs at El Dorado and Valencia High Schools, according to Hal Polley, district coordinator of vocational education.

Placentia's Work-Study plan entitled H.E.L.P. (Help Educational Learning in Placentia) was prepared by Polley and the work experience supervisors of the two schools and approved by the board of education in July. This plan calls for the employment of students in vocationally oriented work on the school campuses or in district facilities as part of the work experience program with 80 per cent of their pay coming from federal funds.

Under the proposed Placentia plan students may be employed as an agriculture farm hand, library assistant, groundsman, lab assistant, printer's helper, turf maintenance, secretary, playground supervision, or transportation helper, depending on the needs of the District and the eligibility of students for the program. Supervision will be by the work experience supervisor at each school assisted by certificated personnel with whom the students will be working.

Atwood Pre-School Needs Many Donations

Have your children or grandchildren outgrown their child size table and chairs? Or do you have a musical instrument, such as an autoharp, or a record player that is "too good to throw away" but for which you have no further use?

If so, the Atwood Community Center, which opened its fall preschool this past week, could certainly use these items, according to Mrs. Esther Gonzales, director of the Center.

Due to a lack of funds and teachers, the school is limited to 15 children and is in operation only on Tuesday mornings from 9:30 to 11:30 a.m. Mrs. Walter Plegel, a volunteer from the Placentia Junior

Round Table, is teaching the 3½ to 5 year olds colors, arts and crafts, numbers, and letters. This year, for the first time, milk is being served at snacktime.

If your organization is looking for a worthy project and can volunteer either teachers or nursery materials such as easels, storybooks, and large sturdy blocks. Mrs. Gonzales says it would hasten the time when other children on the long waiting list would be able to attend preschool sessions.

Interested persons or organizations who wish to donate time or equipment to the Center may contact Mrs. Gonzales before 9 a.m. at her home, 630-2758, or later at the Center, 630-3281.

Country Fair To Be Held At School

A "Country Fair" will be held from 3:30 p.m. to 7:30 p.m., Friday, October 8 on the Commonwealth School playground.

Mrs. Alloysius Hessions is in charge of the fair. There will be booths, clowns and food. The money from the fair will go into the general PTA fund.

Mabel Paine PTA Hosts Faculty Lunch

The Mabel Paine PTA Board were hostesses at the Yorba Linda School for a faculty luncheon on Friday, September 10.

Introduced to other staff members at the luncheon were four new teachers: Miss Pam Clay, Mrs. Lyman Randall, Miss Helen Gooseman, and Mrs. Mary McAndrews.

Troop 775 Scoutmaster Don Bergh, left, congratulates new star Scout Steve Rex and life Scouts Alan Elliott and Dave Westgate prior to a recent court of honor in Yorba Linda.

Indian Guides To Hold Meeting September 25

The YMCA Indian Guides representing the Placentia and Yorba Linda School Districts, known as the Huya (Fighting Eagle) Nation, will hold their annual recruitment day at El Dorado High School lecture hall on Saturday, September 25, from 9 a.m. until noon.

The Indian Guides is an organization designed to foster increased companionship and affection between father and son. Invitations will be extended to all boys in the first three grades of the two school districts, and their dads. The recruitment session will explain the program and its aims, tell about some of the things that Indian Guide fathers and sons do together, discuss events planned for

this year, and offer entertainment with films, songs, stories and displays. Dads and their boys will organize into neighborhood groups, or tribes.

The real beauty of the program, says Recruitment Chairman John Balducci, is that each tribe is free to develop its own ideas and programs. Nation and YMCA level events are planned for further companionship and exchange of ideas, but each tribe participates to the extent it wishes, and no severe demands are made.

"Babe" Owens, the Huya Nation Chief, says that the 24 neighborhood tribes last year made the nation one of the most successful in Orange County. However, many of the tribes have lost members due to graduation and will seek to augment their membership at the recruitment meeting. Other new tribes will also be formed.

Some of the events held annually in the Huya Nation include fall and spring campouts, snow camp, fishing derby, pinewood car races, kite fly, film festival, turkey shoot, and longhouse pow-wow.

Potential members unable to attend the Saturday recruitment session may obtain more information by calling Babe Owens, 528-4870, or John Balducci, 528-5609, or by contacting Robert Coleman at the YMCA, 871-3352.

Hill Named Marshall For Heritage Day

Bob Hill, weather forecaster for Channel 4, is slated to be the Grand Marshal of the Heritage Day Parade, October 2 according to Marv Reid, president of the Heritage committee.

Girl Scouts Finish Course On Boating

Completing a six lesson course in beginning boating were Liz Wilson, Terry Hall, Robin Edwards, Robyn Kristenson, Diana Terhall, Marcia Jeffredo and Linda Campbell, all of Placentia, and members of Cadette Troop 1485.

The course was given through the Girl Scout Council of Orange County with Mrs. Victor Alleman (Josie) as teacher. The course was held at the Orange Coast College and Sea Base at Newport Beach.

Mrs. William (Jeri) Wilson, leader of Cadette Troop 1485, and Mrs. Robert Edwards, assistant, took the girls to these lessons, and reported them to be fun as well as informative. The girls actually learned to sail Sabats (a small sailboat), they rowed boats and paddled canoes. One of the highlights of the lessons, it is understood, was learning to swamp the canoes and right them, getting all the water out.

Helping Mrs. Alleman teach the cadettes were several Senior Scouts from Tustin. The lessons are open to Orange County Girl Scouts who are able to pass a test in swimming ability.

Further information can be obtained by contacting Mrs. Alleman at 542-1564.

New Member Joins Chamber Of Commerce

Michael Remington of Placentia, an attorney with offices in the Newport Bank building, was greeted as a new member at the meeting of the Board of Directors of the Placentia Chamber of Commerce Thursday at the Alta Vista Country Club. Introduced as a guest was Chris Tambe, development coordinator for the city of Placentia.

Business of the meeting consisted mainly of a report by Tom Shipkey on the progress of the Pancake Breakfast to be held September 25 in Kraemer Park. The Pancake breakfast is the first event scheduled in the annual Heritage Day Festivities.

Flipping the pancakes will be city councilmen, civic club members and Chamber of Commerce personnel. The breakfast, costing \$1 (one dollar) will include pancakes, sausages, coffee, orange juice, and plenty of butter and syrup, said Shipkey.

YL Churches To Hold Joint Paper Drive

A four-day paper drive will be held by two Yorba Linda churches beginning on Friday, September 24 through Monday, September 27. Proceeds from the drive will provide funds for the Protestant Released Time Service for Yorba Linda school children.

The project is being conducted jointly by the United Methodist Church, 19002 Yorba Linda Blvd., and the Rose Drive Friends Church, 4221 Rose Dr.

Newspapers, tied in bundles, may be delivered to either church during the drive.

Society Will Attend Rally September 28

The Nazarene's Young People Society of Placentia will be among the 500 students attending a booster rally in Garden Grove on September 28.

Various speakers and singers will be featured at the rally, which is held each month in different Nazarene churches throughout the Southland.

Rev. Gebhart Returns From Fall Retreat

The Reverend B. E. Gebhart of Placentia's First Church of the Nazarene will return today from a three-day retreat at Warner Hot Springs in the high desert.

The annual fall retreat for Nazarene pastors in the Southern California district featured speakers and seminars on how to build churches, as well as times of relaxation with golf and swimming.

New Minister Will Assume Church Duties

Clyde Goff begins his duties as new minister to the Church of Christ this month in East Fullerton.

Goff will replace Pastor David Amik who has moved to Eugene, Oregon. The new minister, who moved to Orange County with his wife Annette and children Ronnie and Lorrie after 25 years of church service in San Diego, will emphasize personal evangelism in his ministry.

This aim will be a carry-over of his activities in San Diego, in which he "worked with people turned on to drugs at the state college." He feels it is necessary to translate the Scriptures into terms that young people can understand.

Goff also hopes to kindle more spiritual interest in the home including spiritual training and development within the family through an emphasis on home bible discussions.

YL Friends Church Youths Hold Parties

Young people of the Rose Drive Friends Church in Yorba Linda held two parties this past weekend.

The high school group enjoyed a luau on Saturday evening at Gary White's

home, 1802 Cartlen Street in Placentia. Hawaiian food and dress abounded at the "special happening."

On Sunday afternoon, a swim party was given for the Alphas group, and was followed by a hot dog dinner. The festivities ended in time for everyone to attend evening church services.

PTA Extends Welcome To New Teachers

The Rose Drive School in Yorba Linda this year welcomed three new teachers to the staff at a recent PTA luncheon.

The newest additions to the elementary school faculty are: Mrs. Lu-An Cohen, third grade, Miss Diane Dearden, second grade, and Mrs. Kay Benson, who will teach sixth grade.

Junior High Group Travels To Zoo, Park

The junior high group of Morningside Presbyterian Church kicked off the new church year with an all-day excursion into Los Angeles last Saturday.

A visit to the Los Angeles Zoo was followed by a picnic and games at neighboring Griffith Park. Regular weekly fellowship meetings for the new year will be held on Sunday afternoons from 4:30 to 6:30. Advisors are George Turner, Matt Kenyon and Ed and Mary Barrett.

Presbyterians Hold Annual Social Event

The annual ice cream social of Placentia Presbyterian Church, featuring home-made cakes, pies and ice cream, was held last Friday evening on the church patio.

The end-of-summer event was highlighted by a 90-minute concert presented in the sanctuary by the New Hope Singers, a group of 16 young entertainers currently on tour throughout the United States.

Art projects created by children of the parish during various summer art workshops were also on display at the social.

Methodists Will Honor Teachers

September 26 has been designated as Christian Education Sunday at the Placentia-Valencia United Methodist Church, according to Pastor Bert N. Lewis.

On that day members of the church will honor the 25 Sunday school teachers for the coming church year.

Re-dedication Service Held In Fullerton

A special re-dedication service was celebrated last Sunday morning at the Congregational Church of Fullerton.

The annual fall event, which involves a dedication to working for the church and a reaffirmation of faith, also included a fellowship breakfast. Reception of new members was followed by communion and baptismal services.

Mrs. Ships Will Host Fellowship

A membership dessert of the Woman's Society of Christian Service will take place this evening at 7:30 in the home of President Mrs. Corrine Ships of Placentia.

New and prospective members will be introduced during the evening of fellowship. The woman's association is affiliated with the Placentia-Valencia United Methodist Church.

A six-week fall Sunday school push will begin this Sunday morning at the First Church of the Nazarene.

As Southern California district school chairman, the

Cunningham To Assist At St. Martins'

An assistant pastor for St. Martin Church, Yorba Linda has been assigned by the Los Angeles arch-Diocese. Father John F. Cunningham assumed his new duties on September 15.

Father Cunningham's most recent assignment was at St. Ann Parish in Santa Ana. He is a native of Ireland and received his theological training at St. Patrick Seminary, Thurles, County Tipperary.

Father Cunningham has been in this country since 1956 and has had previous assignments in Los Angeles and Long Beach.

Reverend B. E. Gebhart of Placentia will direct the attendance drive which is entitled "Touchdown '71."

The competitive football theme will be carried out in a variety of ways. Not only will church be pitted against church in the attendance drive, but the whole Southern California district will compete against the Central Ohio district for new memberships.

"Quarterbacks" leading Placentia's Nazarene Church in its drive are Nick Saucedo, Dave Tamblyn and

Tom Vankeuren. The winning quarterback will receive two football tickets to a professional game.

A more formal kick-off for the Sunday school drive will be the annual District Sunday School Convention to be held in Long Beach on October 1 and 2, according to Reverend Gebhart. One of the principal speakers at the event will be Dr. James Dobson, author of the bestseller "Dare to Discipline," who is also associated with the Children's Hospital.

Yon Kippur Services Will Begin Sept. 28

Temple Beth Tikvah of Fullerton will celebrate the beginning of the Jewish year 5732 with Yom Kippur services on September 28 at 8:15 p.m. and throughout the day on September 29.

Due to the Temple's increased membership and the large number of worshippers, Fred Kaufmann, the Temple

vice-president in charge of religious practices, has announced that all services will be held at the First Presbyterian Church of Fullerton.

The services will be conducted by Rabbi Haim Asa and Cantor Yosef German and assisted by Mrs. Howard Goodman, the Temple organist.

Police Dispatchers Give Information

The nerve center of the modern police department is the dispatchers' desk. From this one location emanates all information to the officers in the field on emergency as well as non-emergency police reports by citizens. The data is radioed to each unit in the form of a specially-coded message, which is relayed in a matter of only a few seconds.

Five women assume the dispatching duties for the Placentia Police Department, and, by the very nature of their duties, they are the true control center for all of the city's police operations. A properly or improperly dispatched call can become a matter of life or death.

In Placentia, the police dispatcher must handle all incoming calls on police lines; answer emergency fire phones between 5 p.m. and 8 a.m. weekdays, and, 24 hours on weekends; dispatch police and fire calls; dispatch public works crews for emergency and non-emergency calls by radio and telephone during periods of bad weather; process reports; and, deal with all traffic into the station headquarters.

In addition, the dispatcher must maintain the files of all departmental resource data; assume responsibility for the compilation of the daily police log and weekly press logs; serve as matrons for female prisoners; run records checks as requested

by other departments; send and receive teletype messages; know the location of all on-duty officers at all times as well as being able to locate and mobilize off-duty and reserve personnel in special emergencies; and, dispatch ambulances and other emergency equipment as requested.

Senior member of Placentia's dispatching staff is Lois Hunter, who joined the Placentia Police Department in 1966. Miss Hunter, who now makes her home in Downey, was born in New Mexico and received her education there. She attended Highland University in Las Vegas, New Mexico, majoring in elementary education and business before moving to Los Angeles, in 1959. Prior to joining the Department she was a secretary with a chemical firm.

Miss Hunter's family consists of one sister and her parents, who reside in New Mexico.

Noreen Hand came to PPD in 1967. Born in Tacoma, Washington, she and her family first came to California in 1928. Mrs. Hand graduated from Woodrow Wilson High School, Long Beach before attending Patterson Business College, Long Beach City and the University of California, Berkeley, where she majored in business administration and mathematics.

Mrs. Hand resides in Anaheim with her husband,

James, a member of the Knotts Berry Farm security department. She has five children, three of whom are married, and two grandchildren. Before coming to the Department she was a bookkeeper in the general insurance and appliance store field.

Joining the staff of the Placentia Police Department in August of 1969 after serving with the Hospitality Hostess Service welcoming newcomers to the cities of Placentia and Yorba Linda, was Adelaide DeWees. Mrs. DeWees was born in Carlinville, Illinois, and attended Chicago schools. She graduated from John Marshall High School prior to becoming employed by the U.S. Army Corps of Engineers.

Mrs. DeWees makes her home in Fullerton with her husband and three children. She has one brother who is a former police officer.

Sally "Lee" Dausch joined the staff of Placentia Police dispatchers in 1970, about one year ago. Miss Dausch came to California from the state of Ohio only within the past five years, she was born in Dayton. Miss Dausch attended Dayton schools, including Miami Jacobs Jr. College, and, she is presently continuing her education at Fullerton Jr. College as a police science major. She hopes eventually to receive her B.A. in this field and enter a career in law enforcement.

Miss Dausch presently serves as advisor for the female division of the Placentia Police Explorer Post, is a member of the Department's Building Committee, and serves as secretary for the City of Placentia Accident Investigation Committee.

Newest addition to the Placentia Police Department dispatching staff is Jo Anne "Jody" Boyd, who came to the Department about eight months ago with business experience in the commercial-financial field. Born in Orlando, Florida, she came to California with her family and graduated from La Habra High School. She attended Fullerton Jr.

College for a year as a journalism major.

Mrs. Boyd traveled extensively throughout the United States and the world with her family while her father served in the U.S. Army. She presently makes her home in Brea with her husband, Bob, a fireman with the City of Fullerton.

All five of the Placentia Police dispatchers were in agreement in their statements of what their job means to them. It gives them a chance to help people and to serve their community by being actively involved. Not only this, but there is a tremendous satisfaction derived from a job well done; and, a dispatcher's job is one which enables an individual to see and to assess the results of his labor. It is a job that requires a tremendous amount of responsibility with working conditions that are extremely demanding; yet, Placentia's five police dispatchers all see their job as a challenge and none of them seem to want to trade their work for anything else.

Fishing Trip Attended By Local Pack

Pack 775 under the leadership of Les Pickart recently went on a father-son deep sea fishing trip. A total of seven boys and five adults left from Arts Landing in Newport Beach. They were able to catch some fish such as bass and halibut and they also caught some colds.

Final Call Issued For Academy Applications

A final call for applications for the four United States service academies for the 1972 school term has been issued by Congressman Charles E. Wiggins.

High school seniors and others who are interested and between the age of 17-21 and reside in the twenty-fifth congressional district must contact Representative Wiggins in writing by October 15. Letters should be addressed to him in care of the United States House of Representatives, Washington, D. C.

City Public Works Closes Chapman Ave.

Placentia Public Works Department officials have announced that Chapman Avenue east of Bradford will be closed to traffic for three days beginning September 25 so that a cross-gutter and underdrain can be constructed to improve drainage.

The four service academies are the U.S. Military Academy, West Point, New York; the Naval Academy, Annapolis, Maryland; the Air Force Academy, Colorado Springs, Colorado; and the Merchant Marine Academy, Kings Point, New York.

Under a procedure established for appointments by Congressman Wiggins, applicants will be interviewed by a non-partisan Service Academies' Review Board made up of prominent citizens of San Gabriel Valley and northern Orange County. All nominations are based on the board's recommendations, overall academic record, physical condition and school and community activities.

Dispatchers in the Placentia Police Department are, from right, Sally Dausch, Noreen Hand, Lois Hunter, Adelaide DeWees, and Jo Anne Boyd.
